Technical Details

The Princess V52 is a luxury yacht that combines elegance and performance, ideal for high-end sailing enthusiasts. This used boat is designed to offer unforgettable experiences on the water, whether for family outings or with friends.

Main Characteristics:

- Overall Length: 16.26 meters -
- Width: 4.56 meters -
- Draft: 1.22 meters -
- Displacement: 26 tonnes -
- Fuel Capacity: 2,000 liters -
- Fresh Water Capacity: 450 liters -

Engine: The Princess V52 is generally equipped with two MAN V8 diesel engines, providing a total power of 1,620 horsepower. These engines allow the boat to reach a comfortable cruising speed of 24 knots and a maximum speed of 28 knots.

Interior Layout: The interior of the Princess V52 is spacious and luxurious, with high-quality finishes. It features three cabins, including a master suite with a private bathroom, as well as two double cabins. The salon and cockpit are designed to offer maximum comfort and conviviality.

Equipment: The boat is equipped with numerous modern amenities, such as a complete navigation system, safety equipment, air conditioning, and integrated entertainment systems.

Performance and Handling: Thanks to its V-shaped hull and powerful engines, the Princess V52 offers excellent stability and great maneuverability, even in rough seas. It is designed to provide a smooth and enjoyable sailing experience.

The Princess V52 is an ideal choice for those seeking a luxurious, high-performance, and comfortable yacht, perfect for days or weeks of sailing with complete security.
