Technical Details

The AICON 56 is a luxury yacht designed by AICON YACHT, renowned for its elegance and exceptional performance. This used boat is ideal for those seeking a perfect balance between comfort and maritime performance.

Main characteristics:

- Length overall: Approximately 17.07 meters -
- Beam: Approximately 5.03 meters -
- Draft: Approximately 1.40 meters -
- Displacement: Approximately 45 tons -

Powerplant:

The AICON 56 is generally equipped with powerful diesel engines, often MAN or MTU, offering a total power of approximately 1,600 to 2,000 horsepower. These engines allow the yacht to reach a comfortable cruising speed of 24 to 28 knots and an impressive maximum speed of 32 knots.

Capacity and comfort:

This yacht can accommodate up to 8 passengers in absolute luxury. It features four cabins, including a master suite with a private bathroom, and two or three guest cabins also equipped with bathrooms. The salon and cockpit offer spacious and elegant living areas, perfect for relaxing and enjoying life at sea.

Equipment:

The AICON 56 is equipped with numerous state-of-the-art features, including a modern navigation system, communication equipment, an air conditioning system, and high-end entertainment installations. The aft swim platform and deck areas are designed to offer an unforgettable outdoor living experience.

Safety and maneuverability:

The yacht is equipped with advanced safety systems, such as radars, sonars, environmental monitoring systems, and rescue equipment. The steering is assisted, and the roll stabilizers ensure stable and comfortable navigation.

The AICON 56 is an ideal choice for yachting enthusiasts seeking a used boat that combines performance, comfort, and luxury. Its robust construction and high-quality finishes make it a durable investment for the years to come.
