## Technical Details

The Prestige 50S Fly is a luxury yacht designed by the renowned builder Jeanneau, known for its craftsmanship and attention to detail. This model embodies elegance and performance, offering an unparalleled sailing experience. Here are the main features of the Prestige 50S Fly:

- Length Overall: Approximately 15.30 meters (50 feet) -
- Beam: Approximately 4.60 meters -
- Draft: Approximately 1.30 meters -
- Displacement: Approximately 25 tons -
- Fuel Tank Capacity: Approximately 1,800 liters -
- Fresh Water Tank Capacity: Approximately 600 liters -

The Prestige 50S Fly is equipped with powerful engines, usually Volvo Penta or Cummins, offering a total power of approximately 715 to 900 horsepower, depending on the chosen configuration. These engines allow the boat to reach a comfortable cruising speed and an impressive maximum speed.

The interior of the Prestige 50S Fly is designed to offer maximum comfort, with high-quality materials and a modern design. The main salon is spacious and bright, with large windows offering a panoramic view. The kitchen is well-equipped, and the cabins offer private and comfortable living space.

The upper deck, or flybridge, is a highlight of this model. It offers additional outdoor living space, ideal for sailing days or evenings under the stars. The flybridge is equipped with comfortable seating, a dining table, and an additional helm station.

The Prestige 50S Fly is also equipped with numerous comfort and safety options, such as advanced navigation systems, generators, air conditioners, and modern safety systems. This equipment ensures safe and pleasant navigation, whether for day trips or longer cruises.

In summary, the Prestige 50S Fly by Jeanneau is a luxury yacht that combines performance, comfort, and elegance. It is ideal for sailing enthusiasts seeking a boat that offers both exceptional performance and onboard comfort.
