More details and visit on request.

The Oceanis 390 sailboat is a habitable cruising monohull, built by the Bénéteau shipyard in France.

This fin keel sailboat, rigged as a Sloop at the head, designed by naval architect Philippe Briand, measures 11.34 m in hull length. Its production started in 1986 and ended in 1992. 552 examples of the boat were produced.

The Océanis 390 is a sailboat designed to make your life on board easier, to make each cruise an unforgettable moment and to help you discover distant shores in complete serenity.
