## Technical Details

The Beneteau Antares 760 is a versatile and elegant cruising boat, designed to offer comfort and performance. This model is ideal for family outings or with friends, thanks to its numerous technical features and carefully designed style.

Main characteristics:

- Overall length: 7.60 meters -
- Width: 2.52 meters -
- Draft: 0.60 meters -
- Dry weight: Approximately 2,500 kg -
- Fuel capacity: 300 liters -
- Freshwater capacity: 100 liters -
- Power: Inboard diesel engine, generally a 115 to 150 horsepower engine -
- Cruising speed: Approximately 20 knots -
- Maximum speed: Up to 28 knots -

The Beneteau Antares 760 is equipped with a spacious and well-protected cockpit, offering a pleasant living space. Inside, the salon is bright and comfortable, with modular seating and a well-equipped kitchen. The main cabin features a double bed and generous storage space, while the bathroom is functional with a separate shower.

The robust construction and high-quality materials ensure exceptional durability and reliability. The modern design and meticulous finishes make the Beneteau Antares 760 a preferred choice for sailing enthusiasts.
