## Technical Details

The Beneteau Monte Carlo 47 Fly is an elegant and high-performance yacht, designed to offer an exceptional sailing experience. This boat is ideal for cruising enthusiasts and sea lovers, thanks to its numerous technical features and refined design.

- Overall Length: 14.35 meters -
- Beam: 4.50 meters -
- Draft: 1.30 meters -
- Displacement: 15.5 tons -
- Freshwater Tank Capacity: 600 liters -
- Fuel Tank Capacity: 1,000 liters -

The Monte Carlo 47 Fly is equipped with two Volvo Penta IPS 500-650 engines, providing a total power of 650 horsepower, allowing for a comfortable cruising speed and excellent maneuverability. Volvo Penta's IPS propulsion system is renowned for its reliability and energy efficiency.

The upper deck, or flybridge, is spacious and offers a panoramic view of the horizon. It is equipped with comfortable seating and a dining table, perfect for outdoor meals and relaxation. The main cockpit is also generous, with a well-thought-out living space and modern navigation equipment.

Inside, the Monte Carlo 47 Fly offers a luxurious interior layout with three cabins and two bathrooms. The master cabin is located at the front and features a large bed and a private bathroom. The two guest cabins at the rear also offer optimal comfort for guests.

The Monte Carlo 47 Fly is also equipped with numerous customization options, allowing owners to personalize their yacht according to their preferences and specific needs. Whether for long trips or day outings, this boat offers the perfect combination of performance, comfort, and style.
