Technical Details

The Suncruiser 35 is a versatile and elegant cruising boat, designed to offer a comfortable and enjoyable maritime experience. Manufactured by Suncruiser Ltd, this boat is ideal for family outings or gatherings with friends, thanks to its numerous features and careful design.

Main Features:

- Overall Length: 35 feet (approximately 10.67 meters) -
- Width: 3.35 meters -
- Draft: 0.9 meters -
- Displacement: Approximately 6 tons -
- Fuel Capacity: 200 liters -
- Fresh Water Capacity: 150 liters -

Engine: The Suncruiser 35 is generally equipped with a reliable diesel engine, offering sufficient power for peaceful and economical navigation. The most common engines are 40 to 50 horsepower diesels, allowing for a comfortable cruising speed.

Interior Layout: The interior of the Suncruiser 35 is designed to maximize comfort and space. It generally includes a main cabin with a double bed, an equipped kitchen, a bathroom with a shower, and a spacious living room. The finishes are of high quality, with durable and aesthetic materials.

Exterior Layout: The deck of the Suncruiser 35 is spacious and offers numerous areas for relaxation. It features a protected cockpit, ideal for outdoor meals, as well as a forward area with comfortable seats and cushions. The boat is also equipped with numerous storage spaces for onboard gear.

Electronics and Navigation: The Suncruiser 35 is equipped with all the necessary navigation instruments for safe outings. It generally includes a GPS, a sonar, a compass, a VHF transceiver, and navigation lights.

Safety: Safety is a priority on board the Suncruiser 35. The boat is equipped with life jackets, a lifebuoy, a fire extinguisher, and all the necessary equipment to handle any emergency situation.

The Suncruiser 35 is an ideal choice for those looking for a reliable, comfortable, and well-equipped cruising boat. Whether for day trips or longer cruises, this boat offers everything you need for unforgettable moments at sea.
