Technical Details

The Ranieri NEXT 240 SH is a versatile and elegant leisure boat, designed to offer an unforgettable maritime experience. This model is ideal for family outings or gatherings with friends, thanks to its numerous technical features and modern design.

Dimensions and Capacity:

The Ranieri NEXT 240 SH measures 7.35 meters in length overall and 2.55 meters in width. It has a capacity of 8 people, making it a perfect choice for group outings. The empty weight is 1,800 kg, allowing for a comfortable payload.

Engine:

This boat is equipped with a Mercury outboard engine of 200 HP, providing sufficient power for optimal performance. The engine is designed for exceptional maneuverability and efficient fuel consumption.

Technical Features:

The Ranieri NEXT 240 SH is equipped with a 150-liter fuel tank, allowing for extended outings without the need for frequent refueling. The boat also features a modern navigation system, including a GPS and sonar for safe and precise navigation.

Comfort and Safety:

The deck is spacious and well-designed, offering comfortable seating and storage spaces for your equipment. The cockpit is equipped with weather protection and a sun protection system for optimal comfort. Safety equipment, such as life jackets and fire extinguishers, are included to ensure the safety of all passengers.

Leisure Equipment:

For water sports enthusiasts, the Ranieri NEXT 240 SH is equipped with a rear swim platform, ideal for swimming and water activities. An integrated audio system allows you to enjoy your favorite music during your sea outings.

In summary, the Ranieri NEXT 240 SH is a used boat that combines performance, comfort, and safety, making every sea outing a memorable experience.
