This very comfortable and very solid boat has 3 double cabins including an aft owner's cabin with its own bathroom + 1 cabin with 2 bunk beds including a bunk.

Small finishes of the teak deck and an upgrade of the electronics are to be expected if program long trip as well as a revision of the watermaker and the generator.

The hull was treated with preventive anti-osmosis in 2008 and the boat was streamlined in 2023.

A 300L black water tank was installed in 2010.
