Comments : This Gobbi 345 SC is a first hand, it has been used little and exclusively for family use. The interviews were always carried out seriously. The upholstery is in very good condition, Flexiteck on the rear deck, fresh water flushing system for the engines; the gelcoat was recently polished. This Gobbi 345 SC is the ideal size for discovering and enjoying coastal cruises with the family and tasting the pleasures of water and freedom at sea (or on the lake too, of course). A real and very good opportunity to acquire a remarkable open boat in very good condition, easy to maintain and always ready to go to sea.
