Comments : This Hallberg-Rassy 352 built by Hallberg-Rassy in 1983, is a robust and comfortable sailboat which has been maintained with great care. This polyester cruiser offers excellent sailing experience and performance. The boat is known for its solidity and comfortable interior.

The boat has a spacious dining room, a well-equipped kitchen with a two-burner gimbaled stove, an oven, a refrigerator (new), and a comfortable living room with double longitudinal sofas which also serve as a additional sleeping space. (the houses have been changed recently). Owners can enjoy a comfortable cabin with the Hallberg-Rassy bed, ideal for long journeys. The forward cabin has a lockable toilet with holding tank and a double V-bed, while the navigation area is well equipped with plenty of storage and modern navigation equipment.

The teak deck is in excellent condition. Recent maintenance, including antifouling and engine inspection, was carried out in 2023.

With a well-thought-out layout, excellent sailing characteristics and a comfortable interior, this Hallberg-Rassy 352 is ideal for both long sea voyages and weekend getaways. The ship sailed mainly on Scandinavian waters.
