## Divers

Comments : Iconic Ketch which embodies the excellence of shipbuilding and the refinement of French design. Amel sailboats are renowned for their exceptional construction quality. Its design is the result of long experience in the construction of high-end sailboats. Safety is a top priority for Amel, and the Santorini is no exception. Despite its imposing size, the Santorini is designed to be easy to maneuver, even with unique equipment. The navigation and control systems are intuitive and well-designed to make navigation as simple as possible. Whether for a family cruise, a solo exploration or a team adventure, the Santorini is capable of meeting a variation of sailing needs and preferences. After 4 years of sailing in the Caribbean, this comfortable ketch will bring you pleasure and safety. The actual owners have invested heavily in the safety and comfort of this boat, replacing worn parts. All you have to do is personalize the interior according to your tastes. Shower, sink and toilet changed in 2024, cabins equipped with fans as well as the saloon (new fans from 2023), Fresh water system changed in 2023, DOMETIC 2-burner gas cooker + Starlight oven (changed in 2021), stainless steel refrigerator opening Latin (changed in 2020) New advance motor silent blocks buy in 2024, 7 115 ah gel service batteries (changed in 2023), 1 115 ah gel battery for starting the engine (changed in 2023), 1 400 battery ah for guide, genoa furler and mainsail furler (changed in 2023), electricity a review in June 2023, 1 400 ah battery for 2023 investments for 8000 euros
