## Owner's Comments

Nelson 46 cc, central cockpit. Good boat, very seaworthy, spacious, in need of maintenance and updating.

This 14 meter Nelson 46 cc was recently immobilized due to health problems of its owner.

It is a very good basis for a beautiful, solid and reliable boat.

Requires work on the engine which needs to be replaced, and the sails which need to be renovated or replaced.

The boat will need to be reviewed again to verify all of its navigation capabilities.

Which justifies a price well below the market price.

Case to be taken.
