Comments : This FIRST 325 from 1984 in PTE version is an excellent compromise between performance, comfort and accessibility. Perfect for coastal cruises or longer sea trips, it combines a solid design, appreciable habitability and attractive aesthetics. This sailboat is particularly suitable for those looking for a reliable, high-performance boat capable of sailing safely, even in areas with shallow water.

The VOLVO model 2020 engine (19hp) was replaced in 2003 and has a total of approximately 950 hours of use. Its regular maintenance is carried out by a professional mechanic. The electronics of this FIRST 325 PTE are made up of a RAYMARINE ST60 TRIDATA Loch/Sounder/Speedo, a recent RAYMARINE EV-200 autopilot, a GARMIN GPS with plotter function, and a VHF.

In terms of sailmaking, this FIRST 325 has a new mainsail, a PROFURL furling genoa, and a symmetrical spinnaker. A companionway hood protects the descent into the saloon and cockpit cushions are available.

The interior layout of the FIRST 325 is designed to offer optimal comfort during long crossings. With a capacity of six people, it includes two spacious cabins and two single berths in the saloon. The L-shaped kitchen is functional, equipped with everything needed to prepare meals at sea. The FIRST 325 also has a large volume of storage, essential for long navigations.

In summary, the FIRST 325 is an ideal sailboat for those looking for a boat that is both efficient, comfortable and capable of sailing in varied conditions. Its small draft is a major asset for lovers of coastal cruises, while offering the possibility of exploring more distant destinations. Whether for day trips, weekends or longer cruises, the FIRST 325 stands out for its reliability, ease of use and careful design.

This FIRST 325 PTE is available immediately.
