Owner's Comments

CANADOS 70

I am proud to present my **CANADOS 70**, an exceptional yacht built in 1985. This boat is a true floating work of art, combining elegance and performance.

Construction and Materials

- **Teak plywood deck** covered with **Flexiteek** in 2021
- **Solid wood hull with epoxy**
- Interior fittings in **sycamore**

Equipment and Amenities

My **CANADOS 70** is fully equipped for life on board, whether at the dock or at sea. Here are some of its equipment and amenities:

- **Four double cabins** (including 2 with a double bed)
- **Four bathrooms** with VMC
- **2 sanibroyeur toilets**
- **Entertainment systems**: TV, DVD, CD/audio player in each cabin and in the salon
- **Equipped kitchen**: VALBERG refrigerator and freezer, ceramic hob, VALBERG extractor hood, VALBERG electric oven, CANDY dishwasher, SAUTER water heater
- **Fresh water**: 2000L with dock connection
- **220V dock connection** in the cockpit
- **Outdoor lounge**: lounge table with eight chairs in the cockpit, fly equipped with outdoor lounge, two facing benches, 2 sun loungers, two low tables and a single bench
- **PVC bimini** on aluminum arches
- **Deck covered with Flexiteek PVC** in 2021
- **Renovated aft platform** in 2021 with swim ladder, electric bosuns, hydraulic gangway

Engines and Performance

The **CANADOS 70** is equipped with **MAN D2860LE405 engines** with a unit power of 580 HP. These engines, although original, have been carefully maintained. The port engine has 3687 hours, while the starboard engine has 5330. The three-blade propellers ensure smooth and stable navigation.

General Condition and Maintenance

According to the expertise carried out in the autumn of 2021, the boat is in **good general condition**. The living quarters, deck, hull, and electrical circuits were renovated in 2021. The fittings have been modified from the original, but the woodwork is original and the varnishes have been renovated. The upholstery, paneling, plumbing, and electricity of the interior fittings are new.

The on-board electrical installation is in **24 DC and 220 V AC**, with an electrical panel at the entrance of the pilot house protected by fuses for the 24V and 220V circuits. The boat is equipped with 2 engine batteries 12V 180Ah in series 24V circuit and 4 service batteries 12V 180Ah in series 24V circuit.

Why the CANADOS 70 is interesting to buy?

The **CANADOS 70** is a luxury yacht that stands out for several remarkable features. Its **elegant and modern design**, its **spacious interiors**, and its **performance at sea** make it an exceptional boat. Moreover, its **luxury equipment** and its **outdoor spaces** designed for comfort and entertainment make it a unique choice for yachting enthusiasts.
