## Miscellaneous

Comments :Sonar screen 2021.

Battery park 2021.

Flybridge cover and cockpit cover.

Beautiful unit to see in Corsica.

**Xboat**  
 De par sa renommée internationale en matière de qualité de construction et de tenue de mer, qu'au niveau de l'esthétique, des finitions et de la facilité d'entretien, la 160 Fly offre des aménagements rationnels et très spacieux. Un vaste salon ouvrant totalement sur le cockpit grâce à une paire de portes latérales et une cuisine américaine orientée faisant face au poste de pilotage doté en standard d'une électronique complète composent le cadre de vos croisières avec vue sur mer à tout moment. Son escalier intérieur d'accès au fly et ses deux portes latérales facilitent la circulation et les manoeuvres.

*Built for a clientele that demands the highest quality of construction, handling, and aesthetic appeal, the GUY COUACH 160 Fly also provides spacious accommodations in its original interior layout. The expansive salon features double Dutch doors that open onto the cockpit and an American open-style galley faces the helm station. The wheelhouse is equipped with a complete electronics package and excellent visibility to facilitate navigation. An interior stowwell accesses the flybridge and two side doors open onto the side decks for the convenience of guest and crew.*
