Technical Details

The Feeling 32 DI, formerly known as Kirie, is a cruising sailboat designed by the manufacturer Alliaura Marine. This boat is renowned for its balance between performance and comfort, making it an excellent choice for coastal sailing enthusiasts and long-distance cruises.

Main Characteristics:

- Overall Length: 9.95 m -
- Hull Length: 9.60 m -
- Beam: 3.25 m -
- Draft: 1.90 m -
- Displacement: 5,200 kg -
- Main Sail Area: 32 m² -
- Genoa Area: 24 m² -
- Spinnaker Area: 65 m² -

Construction:

The hull of the Feeling 32 DI is constructed from fiberglass-reinforced polyester, providing good rigidity and increased durability. The deck is also made of polyester, with strategic reinforcements to ensure optimal resistance.

Interior Layout:

The boat has 6 berths, distributed in 3 cabins. The forward cabin is equipped with a double bed, while the two aft cabins can accommodate two people each. The saloon is spacious and bright, with a large chart table and comfortable seating. The galley is well-equipped, with a sink, a refrigerator, and a gas stove.

Performance and Maneuverability:

The Feeling 32 DI is equipped with a bronze rudder and a wheel steering system, offering excellent maneuverability. The boat is also equipped with a 20 HP auxiliary engine, allowing for safe navigation even in calm weather.

Safety Equipment:

The boat is equipped with all necessary safety standards, including life jackets, a life raft, a VHF, a GPS, and a compass. It also has a water desalination system and a fresh water tank.

In summary, the Feeling 32 DI is a versatile and robust sailboat, ideal for sailors looking to combine comfort and performance. Its spacious interior layout and modern safety equipment make it a sure and pleasant choice for all types of cruises.
