Owner's Comments

: Princess 360 - Elegance and performance on the waves

The Princess 360 is an emblematic star, combining refinement, comfort and performance, ideal for boaters in search of unique marine sensations. Made by the prestigious Princess Yachts project, this 11.60 -meter boat offers a luxurious navigation experience, whether for day outings or longer cruises.

With its width of 3.70 meters, the Princess 360 offers a generous and well appointed living space. Its spacious cockpit and its ergonomic flybridge allow you to enjoy every moment at sea, whether in navigation or anchor. The raised piloting station offers perfect visibility, guaranteeing total mastery of navigation in all conditions.

Reliable and robust performance

Under its sophisticated look, the Princess 360 hides a powerful mechanics. It is equipped with two Volvo Penta Tamd 63L engines with a total power of 636 CV (2*318CV) and 1600 hours (approximately) of walking, which allow a quick and stable cruising speed navigation. These engines, regularly maintained, ensure fluid performance and exceptional responsiveness, whether for long crossings or port maneuvers.

A development designed for comfort

The interior of the Princess 360 is a real haven of peace. This model has two spacious double cabins, allowing four people to comfortably accommodate prolonged stays on board. The front owner cabin is particularly well designed, with a central double bed and clever storage to maximize the space.

The luminous living room offers a perfect relaxation area, with a modular table and comfortable seats, which can accommodate several guests. The square of the square has been redone in imitation leather fabrics in 2018. The kitchen below the square, well equipped has everything you need to prepare meals on board, with a refrigerator with a frozen compartment, a microwave and a gas hob, making your stay in the sea pleasant and practical.

The Princess 360 is also equipped with a bathroom with separate showers, an electric toilet ensuring optimal comfort for guests, whether to anchorage or in navigation.

Navigation equipment

The Princess 360 is equipped with all the electronic equipment necessary to guarantee safe and precise navigation. It has a Garmin SVX 12 Multifunction GPS integrating the sounder, the card tracer, ais, and the radar. A 2nd GPS GARMIN is installed on the FLY. A Garmin automatic driver to simplify the management of your cruises. A VHF Simrad Shipmate RS 5800 provides clear and reliable communication at sea, and the bow propeller facilitates maneuvers in ports, even in difficult conditions.

The cockpit has its seat and backpadding upholstery as well as a full rear closure tau and a bimini on the fly. Available immediately.

The Princess 360 is available now and has benefited from a careful interview by its current owner, offering you the opportunity to take the sea immediately with a boat in good working order. Whether you are looking for a yacht for cruises with family or friends, this model will answer all your expectations thanks to its remarkable comfort and performance.
