Divers

Comments : The Merry Fisher 815 perfectly embodies the new generation of coastal cruising boats and retains the success criteria of the Merry Fisher range (program versatility, on-board comfort, performance). The style of the Merry Fisher 815 is manifested by a new more slender and more tulip hull, a wave-shaped deck belt, more edgy side window lines. These stylish amenities offer a more ???cruising??? signature to the Merry Fisher 815.

This 2009 Merry Fisher 815 has been kept in very good condition by its owner. Very well equipped with in particular: Trolling valve - bow thruster - electric windlass with Kobra anchor, aft platform with solid teak plating - Complete cockpit rear closing awning - Sliding roof panel - Radar FURUNO 1715 - Combined GPS / Plotter / HUMMINBIRD 958C fishing depth sounder + NAVIONICS card - RAYMARINE SPX10 automatic pilot with S100 remote control - VHF RO4800 DSC - CD car radio - 220v circuit with charger - Cockpit square - 12volt electric refrigerator - NANNI 200CV engine propulsion shaft line - Propeller protection + rope cutter - Sea water washing pump - Coastal security equipment for 4 people.
