Technical Details

The Cherokee 61 is an elegant and high-performance cruising yacht, designed by the manufacturer Profil Marine, known for its high-quality vessels. This used boat is ideal for sailing enthusiasts seeking a perfect balance between comfort and performance.

Main Features:

- Length Overall: 18.58 meters -
- Beam: 5.23 meters -
- Draft: 2.28 meters -
- Displacement: 35 tons -
- Fuel Tank Capacity: 2,000 liters -
- Fresh Water Tank Capacity: 1,000 liters -

Engine:

The Cherokee 61 is typically equipped with powerful diesel engines, often MAN or Cummins engines, providing a total power of 600 to 800 horsepower. These engines allow the boat to reach a comfortable cruising speed of 20 knots and a maximum speed of 25 knots.

Interior Layout:

The interior of the Cherokee 61 is spacious and luxurious, with high-quality finishes. It features three to four cabins, each equipped with comfortable beds and ample storage. The master cabin is often located at the bow, offering a stunning view of the horizon. The bathroom is equipped with all modern amenities, including a shower and electric toilets.

Exterior Layout:

The deck of the Cherokee 61 is designed to offer an enjoyable outdoor living space. It includes a spacious cockpit with comfortable seating, a dining table, and an integrated barbecue. The flybridge offers a panoramic view and is equipped with seating and a table, perfect for evenings at sea.

Electronics and Navigation:

The Cherokee 61 is equipped with modern navigation systems, including GPS, electronic charts, radars, and depth sounders. It also features VHF communication systems and integrated entertainment systems.

Safety:

In terms of safety, the Cherokee 61 is equipped with smoke and gas detection systems, fire extinguishers, life jackets, and life rafts. It complies with all current safety standards.

The Cherokee 61 from Profil Marine is an ideal choice for those seeking a reliable and comfortable cruising yacht, capable of navigating safely and confidently on the most demanding waters.
