## Miscellaneous

Comments :Grands Banks 42 Classic wooden hull epoxy treated in 2015.

Very comfortable, warm and pleasant boat to live.

Very competitive price because its paints, varnishes and bridge joints need to be reviewed.

Engine and fairing overhaul to be expected.

Plenty of storage, 2 antennas and 2 TV sockets, electric toilets, 220V electrical panel, converter, reversible air conditioning ...

Will suit a future owner who wishes to make it his residence in the port (place available) and / or an enlightened amateur who will know how to give it a second youth and prepare it for future beautiful and comfortable navigations.

Rare on the market.
