Miscellaneous

Comments :Nearly new boat with only 12 hours of use.

With its 7.80 meters in overall length - and less than 7 meters in hull length to dodge francization rights - this Ranieri Next 240 SH intends to titillate the Quicksilver 755 Sundeck and other Jeanneau Cap Camarat 7.5 WA who are top names. on the niche.

Maintaining the spirit and style of the 290 SH, in a smaller size and for a more affordable budget, it is done with the Next 240 SH, which adds to Ranieri's line of sporty and contemporary sun decks.

Between good ideas, great achievement and sporting performances, the "new kid" of the Next series has something to please. Whether for a day trip or for a prolonged cabotage, it offers the maximum thanks, in particular, to its generous saloon and its three berths.

Full Options:

2nd battery, Ski mast kit, tilting side seats, stern table and support, bimini, luxury fabric, opening deck porthole, ivory hull color, 2nd comfort seat with bolster, compass, hydraulic steering, dock socket, chain counter, 220v socket, vessel view 502, active trim, NMEA module, stainless steel anchor ...
