Technical Details

BENETEAU OCEANIS 45

The Oceanis 45 is a cruising sailboat designed by the renowned French builder Beneteau. This boat is appreciated for its comfort, performance, and versatility, making it an excellent choice for sailing enthusiasts for both family outings and long-distance voyages.

Main Characteristics

- Overall Length (LOA): Approximately 13.76 meters -
- Waterline Length (LWL): Approximately 12.47 meters -
- Beam (Bmax): Approximately 4.29 meters -
- Draft: Approximately 2.10 meters (standard) and 2.80 meters (deep draft) -
- Displacement: Approximately 12,000 kg -
- Sail Area: Approximately 93 m² -

Performance and Navigation

The Oceanis 45 is equipped with a cutter rig, which provides excellent performance under sail. The boat is also known for its stability and ability to navigate in various wind conditions. The polyester hull reinforced with fiberglass ensures good resistance and increased durability.

Comfort and Habitability

Inside, the Oceanis 45 offers a spacious and comfortable living area. It generally features three double cabins, a well-equipped galley, and a complete bathroom. The interior finishes are carefully done, with quality materials that contribute to a pleasant and welcoming environment.

Engine and Systems

The boat is generally equipped with a Yanmar 54 HP diesel engine, which provides good power for harbor maneuvers and motorized movements. The electrical and hydraulic systems are well-designed to ensure hassle-free navigation.

Options and Customization

The Oceanis 45 can be personalized with various options, such as modern navigation equipment, air conditioning systems, renewable energy generators, and specific layouts to meet the needs of owners. These options allow the boat to be transformed into a true home-on-the-water.

Conclusion

The Beneteau Oceanis 45 is an ideal choice for those seeking a performant, comfortable, and versatile cruising sailboat. With its impressive technical characteristics and carefully designed interior, it is perfect for family sailing or long-distance voyages.
