Owner's Comments

this POWLES 36+2 is an exclusive unit full of charm (chrome profusion in excellent condition, modular joinery, multiple storage areas, etc.) and reassuring with its wide gangways and its deep, very protected cockpit.

This model benefited from a large refit in 2019 including the addition of a bathing area, painting of the hull, deck (+ epoxy treatment) and superstructures, as well as the addition of a navigation center modern, a 12HP sound system and complete change of the electrical harness (+ interior + exterior + underwater ambient lights with their control panel).

New flybridge seat.

Water heater and WC to be replaced.
