Dishwasher : No

TV : Yes

IceMaker : No

Oven : Yes

Gas stove : Yes

Heating details :

Washing machine : No

TV antenna : Yes

Divers

Comments : FLYER VIVA 920: An emblematic model of the Bénéteau open range which is characterized by excellent interior and exterior habitability despite compact dimensions and marine behavior suitable for all uses.

Consumption of approximately 13l/h at 22 knots.

This example has a solid invoice file with a major mechanical upgrade in 2022 and 2023: repair of turbos, elbows, base and trim cylinders. New gas control, new batteries (2x140ah), purging and cleaning of fuel tanks, new exterior covers...

Rare on this model, an excellently made stainless steel gantry will be able to support the loading of an annex and its engine.
