Comments : Magnificent Bénéteau Antares 805 Fly, one of the rare models equipped with two engines guaranteeing increased safety and performance.

Perfect for long sea trips and sport fishing, the Antares 805 Fly is a boat recognized for its marine qualities, its versatility and its comfort. Whether for use in boating, fishing, or coastal cruises, the Antares 805 Fly is a benchmark in its category.

The classic design of the Antares 805 Fly maintains timeless elegance.

Robustly constructed, the Antares 805 Fly is designed to last over time and cope with different maritime conditions.

This boat is very equipped for sea fishing: Livewells, numerous rod holders, removable cooler, sea water pump, electric inlets for reels, efficient electronics in perfect working order; everything is there for a successful fishing trip.

Perfect for both long sea trips and sport fishing.

The maintenance is up to date (last service 2024), The exhaust elbows were changed very recently (2024), New hydraulic flaps from 2023, the life raft was serviced this year.

Possibility of space at the port
