Owner's Comments

Owner's information: This Sea Ray Model 510 Flybridge, or Sea Ray Five Ten, is probably the only model available on the market in Europe, a single owner, regular maintenance, up -to -date services, excellent engine, front and rear propellers, joystick, 3 double cabins + sea cabin, flybridge with hard top, hydraulic bath plat Convertible, washing machine, washing machine, reversible air conditioning, annex with engine.

Available immediately.

Site information: Choosing the Sea Ray 510 Flybridge boat has several separate advantages. Here are some reasons why this yacht is an excellent choice:

Design and aesthetics:

Elegance: the Sea Ray 510 Flybridge is renowned for its elegant and modern design, with clean lines and a high -end finish.

Interior space: its design maximizes the use of space, offering spacious and well -appointed interiors that create a luxury atmosphere.

Comfort and development:

Flybridge: The spacious flybridge offers an additional space to relax and enjoy the view, with comfortable seats and often a bar or a kitchen area.

Cabins: The cabins are luxurious, with comfortable beds, adjoining bathrooms and numerous storage.

Equipment: Yacht is equipped with modern technologies and advanced equipment, such as high-end audio-visual systems, well-equipped kitchens and high-performance air conditioning systems.

Nautical performance:

Powerful engines: equipped with efficient engines, the Sea Ray 510 Flybridge offers fluid navigation and excellent maneuverability.

Stability and security: the design of the hull and the advanced stabilization systems guarantee stable and secure navigation even in agitated sea conditions.

Advanced technology:

Navigation systems: with modern navigation systems and navigation assistance technologies, this boat facilitates journeys and ensures safe navigation.

Automation: automated boat management systems, such as air conditioning and lighting controls, increase comfort on board.

Versatility:

Various activities: Sea Ray 510 Flybridge is ideal for a variety of activities, whether for relaxing cruises, celebrations with friends or fishing excursions.

Adaptability: thanks to its flexible development, it can be used both for short -term outings and for extended stays at sea.

Reputation and reliability:

Renowned brand: Sea Ray is a well -established brand in the world of boating, known for the quality of its boats and its excellent customer service.

Sustainability: high quality materials and robust construction provide a long lifespan and high resale value.

In short, the Sea Ray 510 Flybridge combines luxury, comfort, performance and technology, making it an ideal choice for those looking for an exceptional navigation experience.
