The NEEL 43 is a fast and safe trimaran, easily maneuverable with a short crew. Its passage in the sea, its performance and its comfort are remarkable.

Inside, the good distribution of volumes, the fluid circulation and the great light make it a unique living space.

It can accommodate up to 10 people with a saloon and a cockpit that communicates very easily.

The helm station is ergonomic and has a triple seat, accessible from the cockpit or the deck. We find the Cockloot® effect thanks to the large opening between the cockpit and the saloon.
