## Divers

Comments : Very pretty Doqueve 410, 12.50m long by 4.20m wide, in very good condition.

Its owner has made numerous modifications and improvements to the boat, in particular a very large aft platform, very comfortable for swimmers or fishermen.

The interior decoration has been tastefully redone, and all the navigation devices have been changed to high-end Furuno brand equipment.

The antifouling was carried out last April, the two engines, serviced and maintained regularly, run like clockwork.

The interior includes 3 cabins and 2 bathrooms, as well as a convertible lounge and a fully equipped kitchen. The boat has air conditioning and heating, a very well equipped kitchen. Immediately available for browsing.
