Owner's Comments

The owner indicates:

"This Antarès 560, of Fishing Promenade constitutes a serious alternative to the open hull, by offering more habitability.

The cabin of this Anatrès 560 has malignant arrangements and offers outstanding comfort on a boat of this size.

It allows pleasant navigations in all seasons and in safety.

Its HB Suzuki 70CV engine is recognized for its reliability.

He has few hours of navigation and is maintained by a professional.

Its weight of about 1.1 tonnes and its width, allow it to be easily transported on a trailer. "
