## Divers

Owner's Comments : Visit video on request.

This Oceanis 351 sailboat from the BENETEAU shipyard offers us great qualities, such as its intelligent design which maximizes space on board, offering a comfortable interior with well-appointed cabins and a large lounge.

Built by the BENETEAU shipyard It is known for its good seaworthiness and balanced performance, which makes it an excellent choice for cruising.

The navigation controls are well positioned, making maneuvering easier, especially with a short crew.

This OCEANIS 351 has a spacious and well-protected cockpit which offers pleasant space for navigation and anchoring.

Surveyed in 2022, this OCEANIS 351 sailboat has benefited from several maintenance works and improvements, including:

A tourmentin never served.

Life jackets and harnesses.

2.6 hp annex engine (2021) almost new.

Personalized + original living room table.

Two steering wheels.

200W solar panel + removable 130W flexible panel with regulator.

Portable VHF and Navicom VHF.

Navtex Furuno and Clipper depth sounder.

AdvanSea anemometer (2020) and Humminbird navigation center.

Autohelm ST7000 autopilot.

Windlass 1000W Kobra (2021).

70Ah engine battery (2022).

Downhill hood (2021).

Recent work: In 2023, major work was carried out, including the repair of cabin linings, the replacement of all lamps with LEDs, the installation of a compliant 220V electrical panel, and the change of the gas pipe . In addition, a box for the battery was installed, as well as an anti-UV strip on the genoa, a 50 m chain with a diameter of 10, and a rung for the swimming ladder.

In 2024 a refit was carried out in May, with the change of the standing rigging, the update of the electrical harness/antenna in the mast, new LED anchor and deck lights, a mechanical weather vane, the replacement of all passes -hull, changing lifelines, and adding lifelines. The engine overhaul was carried out by a professional, who also carried out the wintering. Two new 108Ah batteries were added in September 2024, as well as a new Victron Smart solar regulator, an overhaul of the fridge motor (gas change and thermostat), and a new rear light. Finally, a deep sea survival kit for 4 people was acquired.

These characteristics, combined with recent work, make the Oceanis 351 from the BENETEAU shipyard a reliable and attractive sailboat for boaters.

Berth.
