Comments : The FALCON 82S is a yacht offering luxurious space and living comfort on board.

The accommodations on the main deck include a large deck lounge, the kitchen and the navigation bridge.

The kitchen is equipped with 2 fridge freezers, electric oven and hob, 1 washing machine and 1 dishwasher.

On the front of the lower deck 2 large cabins each with double bed, dressing room and bathroom.

At the rear of the lower deck 2 cabins each with 2 single beds and bathroom.

At the flying bridge the cockpit, a lounge and an open kitchen with plancha.

The tender is stored on the upper deck using a crane.

A large bathing beach, accessible by 2 stairs. Access to the quay via a hydraulic footbridge.

The FALCON 82S is powered by 2 MAN engines of 1200 HP each, bronze shafts and 4-blade propellers. Its cruising speed is 20 knots. The machine compartment is subject to constant and complete maintenance.

The 220 V power supply is provided by earth current, or by 2 ONAN groups of 16 KW each.

Maintenance invoices are available.
