Owner's Comments

DUFOUR-YACHTS sailboat arpege 1974-A timeless navigation icon

Navigate the traces of history with the Dufour-Yachts Arpege from 1974, an emblematic sailboat which embodies both elegance and performance. This legendary model, designed by Michel Dufour, remains a reference in the world of cruising sailboats thanks to its timeless lines and its proven reliability.

The Dufour-Yachts Arpege offers a warm and functional interior space, ideal for cruises with family or friends. With its classic woodwork and well thought out, it combines charm and comfort. This 9.25 -meter sailboat is renowned for its robustness and marine performance, making it as pleasant in coastal navigation as in the high seas.

The Dufour-Yachts hull arpege, solid and balanced, ensures remarkable stability in all conditions. Its Sloop rig facilitates maneuvers, even for a reduced crew, and its optimized wing guarantees exceptional performance, even in low winds.

In 1974, the Dufour-Yachts Arpege was already distinguished by its innovation and its avant-garde design. Today, he seduces lovers of classic sailboats looking for an authentic experience and a unique boat.

If you are looking for a sailboat that combines tradition and efficiency, the 1974 Dufour-Yachts is made for you. Its meticulous maintenance and recent improvements bear witness to its sustainability and attention paid to each detail. This legendary boat is ready to offer you unforgettable adventures on the water.

Do not miss the opportunity to become the owner of a Dufour-Yachts Arpege, a centerpiece of nautical history.
