Comments : Riviera 3350 from 2003 (22 years old) 1st hand bought new at the Cannes Salon in 2003.

Meticulous owner, the interviews are carried out by itself. The boat has a large double cabin never served except for storage of front fishing cannes, a bathroom with shower and WC, a large very bright square with an equipped kitchen, a string, a fly with all double controls, this model is equipped with a trawling valve (slow walking for train fishing, 1.5 to 3 nodes) many storage chest, freezing.

The Riviera 33.5 is an engine yacht designed by the Riviera Marine site, an Australian manufacturer recognized for its quality boats, mainly intended for sports and cruise fishing. This 2003 model is a Fly Bridge Compact, offering a good balance between comfort, performance and maneuverability.

To visit by appointment.
