Heater : No

Washing machine : No

TV antenna : No

SAT-TV : No

Owner's Comments

Indications of the site and the owner and comments:

"Bavaria 42 1st hand, 3 cabins, GV on trolleys, Genois on a reel. The Bavaria 42 is built in accordance with the design category A," high seas "(AA module).

This design category requires that the sailboat be adapted to long cruises with winds greater than 8 (Beaufort scale) and waves of more than 4 meters, allowing it to navigate largely by its own.

This also means that the manufacturer itself certifies the conformity of the construction and equipment with the directives, but that stability and the freeboard, as well as the buoyancy and the flotation, were controlled by an approved control body.

This Bavaria 42 has known only one family who has just decided (countered heart) to sell it for the reason of age. You will find, if you come to see him, a certain number of things to do that the seller leaves the buyer the freedom to program after the purchase such as: replacement of a play of sails, replacement of the joint of the Sail Drive, some small cosmetics work here and there, but overall the boat deserves all your attention, especially as the displayed price is very attractive today.

The inner upholstery and the floors have always been protected and therefore in good condition.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.

Owners may make errors or changes without notifying us. This information is not contractual and does not bind XBOAT in any way. It cannot be opposed by a visitor or a buyer.
