Owner's Comments

This 1996 GIBSEA 414+, a true reference to the sailboats racing, combines performance and comfort with brilliance. Renowned for his exceptional marine behavior, he is fast in the breeze as in a short weather, while remaining easy to maneuver thanks to his well thought out rigging.

Very efficient: steep to the canvas, excellent balance, ideal for regatta as for cruise.

Spacious comfort: 3 double cabins, 1 bathroom (WC/shower), and numerous storage.

Reliable motorization: Yanmar 2016 (316h) perfectly maintained.

Electricity completely redone in 2024 (security and modernity guaranteed).

Barre pleasure: reactive, stable and well monopolized.

Space optimized for long edges as for stays on board.

A rare opportunity for such a versatile sailboat!
